ROTARY TIMELINE—1999

Rotary establishes the Rotary Centers for International Studies in peace and conflict resolution to help prepare future leaders and diplomats. In 2002, the first class of 70 students begins two-year master's-level degree programs at eight universities in Argentina, Australia, England, France, Japan, and the United States.

ROTARY TIMELINE—2001

Rotarians in Pakistan, supported by Rotary clubs around the world, provide relief aid and assistance to refugees from Afghanistan. The 30,000th Rotary club is chartered, and Rotary returns to mainland China with clubs in Shanghai and Beijing.
