Convenient local and online make-up meeting locations are on the back!

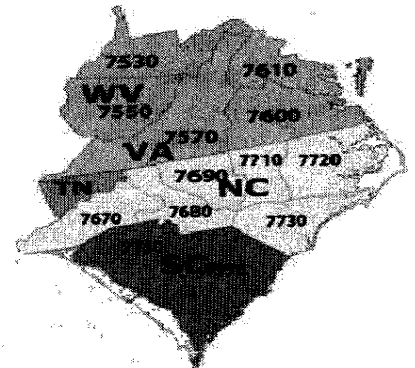

Delegate Joe Bouchard of the 83rd House District spoke to the club last week, discussing the past/current legislative session. He also was the successful bidder on the naval history book that Dick Biondo auctioned. Delegate Bouchard was hosted by Max Bartholomew.

Did you know? The Rotary Club of Cape Henry is in **District 7600**, defined as:

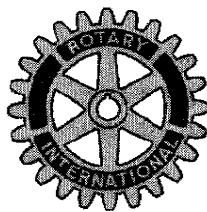

USA – VIRGINIA, that portion east of the western boundaries of Halifax, Charlotte, Appomattox, Buckingham, and Fluvanna Counties and south of the northern boundaries of Fluvanna, Goochland, Hanover, New Kent, James City and York Counties and the counties of Northampton and Accomac, excluding Tangier Island.

We are also located in Rotary Zone 33, which includes West Virginia, Virginia (including 8 counties of Tennessee), North Carolina, and South Carolina.

Welcome Back Rodger! After a couple of years in Baghdad, long-time club member Rodger Schoonover is back and brought the club banners from Rotary Clubs in Israel and Ireland. More importantly, he brought back his singing voice!

Rotary's Wheel Emblem

A wheel has been the symbol of Rotary since our earliest days. The first design was made by Chicago Rotarian Montague Bear, an engraver who drew a simple wagon wheel, with a few lines to show dust and motion.

The wheel was said to illustrate "Civilization and Movement".

In 1923, the present geared wheel, with 24 cogs and six spokes, was adopted by the Rotary International Association.

A group of engineers soon advised that the geared wheel was mechanically unsound, and would not work without a "Keyway" in the center of the gear to attach it to a power shaft. So the keyway was added and the design which we now know was formally adopted as the official Rotary International Emblem.

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
