Membership growth encouraged, rewarded

"You can feel the excitement and energy in a growing Rotary club," says Michael McGovern, vice chair of the 2008-09 RI Membership Development and Retention Committee.

To help energize clubs worldwide, RI President Dong Kurn Lee is traveling the globe to generate ideas for membership growth. His first of 12 presidential conferences, which will include small-group discussions to identify best practices for member recruitment and retention, took place 7 July in Tokyo.

Conferences in Argentina, Brazil, Egypt, and South Africa will also address child mortality, a top concern that lies at the heart of this year's RI theme, Make Dreams Real.

To encourage clubs and districts to take action to increase membership, Lee has developed a new membership recognition program. During 2008-09, clubs that achieve a 10 percent net increase in membership will receive a certificate signed by the president. At the district level, gaining two new clubs and a 10 percent net membership increase must be reached. District recognition awards vary depending on the percentage of clubs achieving the membership increase.

The 10 clubs and districts with the highest percentage net membership increase will be recognized on stage at the 2009 RI Convention in Birmingham, England.

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
