Representatives from "Friends of Animal Control" and "Hope Haven" spoke to the club last week. They were hosted by Sheila Ferguson who used the overall concept of "abandonment" for both people and animals.

November is Rotary Foundation Month - What are 3-H Grants?

Health, Hunger and Humanity (3-H) Grants are awarded to fund large long-term international self-help and grassroots development projects that use an integrative approach to address humanitarian needs.

An integrative approach incorporates multiple program components, including a combination of sustainable factors such as training, community participation, capital assets, and technical expertise from Rotarians and other sources.

Cape Henry Rotarians at the Chesapeake Bay Wine Classic on November 1. Thanks to Robin Gasser for all her hard work organizing the event for the club.

Genius may have its limitations, but stupidity is not thus handicapped.  
*Elbert Hubbard (1856 - 1915)*

What Paul Harris Said:

"If Rotary is to realize its proper destiny, it must be evolutionary at all times, revolutionary on occasions." *1930 message to the RI Convention in Chicago*

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
