For more than 75 years, countries around the world have honored the work of Rotary with commemorative stamps.

The first appeared in 1931, when Austria created an overprint -- a later printing over an officially issued stamp -- in honor of the RI Convention in Vienna. Other RI conventions have been commemorated with stamps, including those held in 1940, in Havana, Cuba; 1961 and 1978, in Tokyo; 1981, in São Paulo, Brazil; and 1987, in Munich, Germany.

For Rotary's 50th anniversary in 1955, 27 nations issued commemorative stamps. Many featured familiar Rotary imagery such as the gear-wheel, which a Greek stamp incorporated along with the number 50. Images of Paul Harris and common scenes from the issuing country also were popular.

Rotary's 75th anniversary was honored with commemorative stamps from Benin, Cyprus, Djibouti, Dominica, Ghana, Iran, and others. In 2005, Rotary's centennial inspired stamps from nations including France, Ghana, Peru, and Togo.

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
