**HAPPY NEW YEAR!**

The celebration of the new year is the oldest of all holidays. It was first observed in ancient Babylon about 4000 years ago.

The song "Auld Lang Syne" is sung at the stroke of midnight in almost every English-speaking country in the world to bring in the new year. At least partially written by Robert Burns in the 1700's, it was first published in 1796 after Burns' death. Early variations of the song were sung prior to 1700 and inspired Burns to produce the modern rendition. An old Scottish tune, "Auld Lang Syne" literally means "old long ago," or simply, "the good old days."

• There is still time (barely) to donate to the Rotary Foundation this year and take advantage of any potential tax savings.

• The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

• The Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

• Here are just some of the ways the Foundation can use your contribution:

- ◆ \$100 helps provide for one elementary school in Zambia
- ◆ \$500 helps provide a small watch-repair business for six disabled workers in the Philippines
- ◆ \$5,000 helps provide enough vaccine to immunize 10,000 children against polio

• Go to [www.rotary.org](http://www.rotary.org) and contribute today!

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
