February is World Understanding Month. Among all the service organizations in the world, Rotary International alone is the only organization that focuses on World Understanding and Peace through its various programs, including:

Ambassadorial Scholars: College students travel to another part of the world to study at a local university while learning the culture.

Peace Scholars: 70 scholars are trained each year in conflict resolution at the top seven universities in the world.

Group Study Exchange: Two countries exchange their young professionals for a 4-week program.

Matching Grants: Two clubs in different parts of the world combine money and receive matching funds from Rotary International. These grants focus on alleviating hunger, disease and illiteracy in developing areas of the globe.

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
