Tom Patton spoke to the club about his experiences as a US Naval aviator last week. He was hosted by Carl Pierson.

"9 Oct 1966: While flying a rescue combat air patrol mission, four squadron aircraft engaged four North Vietnamese Mig's. Lieutenant (jg) William T. Patton shot down one of Mig-17s during the engagement. This was the first and only shoot down of an enemy jet aircraft by a propeller driven plane during the Vietnam Conflict. For the action, Lieutenant (jg) Patton was awarded the Silver Star." (source: VA-176 Squadron website)

Progress for Rotary's US\$200 Million Challenge for polio eradication

Rotary International News -- 27 May 2010

As of 25 May, Rotarians have raised about **\$127.4 million** for Rotary's US\$200 Million Challenge. These contributions will help Rotary raise \$200 million to match \$355 million in challenge grants received from the Bill & Melinda Gates Foundation. The resulting \$555 million will directly support immunization campaigns in developing countries, where polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families.

As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. The stakes are that high.

Polio on the decline in Nigeria, India

- ⇒ As of 20 April, Nigeria has reported two cases of polio in 2010, compared to 193 cases for the same period in 2009.
- ⇒ India has reported 19 polio cases compared to 32 cases -- and none in the past five weeks.

"When tempted to fight fire with fire, remember that the Fire Department usually uses water."

"He who breathes deeply has the better chance of thinking clearly.

He whose mind is right is most likely to be morally right and to understand the doctrine of 'Service above Self.'"

RI Founder Paul P. Harris, The Rotarian, February 1917

THE FOUR WAY TEST of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill and Better Friendships**?
4. Will it be **Beneficial** to all concerned?
